Wednesday

Maryland B-D Exhibit Hall Open

Time: 8:00 a.m.– 11:00 a.m.

Location: Maryland B-D

Prince George's Exhibit Hall Open

Time: 9:00 a.m.–3:30 p.m.

Location: Prince George's Exhibit Hall

Coast Guard Breakfast

Time: 7 a.m.-8:30 a.m.

Speaker: Adm. Karl Schultz, Commandant of the Coast Guard

Ms. Michelle Godfrey, Director of Civilian Human Resources, Diversity and Leadership, U.S. Coast Guard

Ms. Ann Castiglione-Cataldo, Director of International Affairs and Foreign Policy Advisor (DCO-I), U.S. Coast Guard

Rear Adm. John Mauger, Assistant Commandant for Prevention Policy (CG-5P), U.S. Coast Guard

Location: Potomac AB

Ticketed Event

The Commandant will join service leaders to discuss emerging demands and opportunities for the U.S. Coast Guard.

Addressing the Strategic Sealift Crisis

Time: 9:00 a.m.

Speaker: Mr. Douglas Harrington, Deputy Associate Administrator for Federal Sealift, Maritime Administration

Mr. Christopher Thayer, Director, Maritime Operations, Military Sealift Command

Mr. Christopher Thomas, Senior Sales Director, APL

Moderator: Ms. Erica Plath, Director, Strategic Mobility/Combat Logistics, Division, Chief of Naval Operations, U.S. Navy

Location: Woodrow Wilson Ballroom

Winning conflicts overseas depends on a robust strategic sealift capability in order to project and sustain military power at a time and place of the nation's choosing. What is being done to keep this capability modern and capacity adequate to accommodate the nearly 90% of required military

equipment expected to deploy via sealift during a major conflict?

COVID Response and Post-Pandemic National Security

Time: 9:00 a.m.

Speaker: Rear Adm. Dana Thomas, Director of Health, Safety & Work-Life (CG-11), U.S. Public Health Service Commissioned Corp, U.S. Coast Guard

Rear Adm. Bruce Gillingham, Surgeon General of the United States Navy

Lt. Gen Ronald Place, Director, Defense Health Agency

Moderator: Dr. Eric V. Thompson, Vice President and Director of Strategy, Policy, Plans and Programs, Center for Naval Analysis

Location: Potomac CD

IUU Fishing: The New Piracy at Sea

Time: 9:30 a.m.

Speaker: Dr. Jared Dunmon, Technical Director, Artificial Intelligence, Defense Innovation Unit

Rear Adm. Heidi Berg, Director, J2, U.S. Africa Command, U.S. Navy

Adm. Linda Fagan, Vice Commandant of the United States Coast Guard

Ms. Constance Arvis, Acting Deputy Assistant Secretary, Oceans, Fisheries, and Polar Affairs

Moderator: Mr. Whitley Saumweber, Director, Stephenson Ocean Security Project, and Senior Associate (Non-Resident), Asia Maritime Transparency Initiative

Location: Potomac AB

Illegal, unreported and unregulated (IUU) fishing is a security, economic and environmental threat with damaging effects for oceans and coastal states around the world. Working with other U.S. government agencies, like-minded foreign partners, regional fisheries management organizations and nongovernmental organizations, the U.S. Coast Guard will provide leadership to protect and promote sovereignty; support cooperative enforcement of international laws; and drive stability, legitimacy and order in the maritime domain.

Shipbuilding Sustainment and Maintenance

Time: 10:30 a.m.

Speaker: Mr. Tom Rivers, Executive Director, Amphibious, Auxiliary and Sealift, Program Executive Office, Ships

Rear Adm. Douglas Schofield, Assistant Commandant for Acquisition & Chief Acquisition Officer, U.S. Coast Guard

Mr. Larry Ryder, Vice President of Business Development and External Affairs, Austal USA

Moderator: Vice Adm. Richard Hunt, U.S. Navy (ret.), President, Fincantieri Marinette Marine

Location: Potomac CD

This session focuses on the continuing relationship between our industry partners and our sea service leadership to create greater efficiencies in how we build better ships to meet the

demands of our warfighter. How are we using advances in technology and innovation to meet deadlines in both maintenance and new ship roll out across our sea service partners?

ISR and Unmanned Advancements

Time: 10:30 a.m.

Speaker: Mr. Michael Zatman, Principal Director for Fully Networked Command, Control and Communications, Office of the Under Secretary of Defense

Dr. Robert Miller, CEO, Skydweller Aero

Mr. John Schierling, Director of Tactical Space Advance Programs, Lockheed Martin

Vice Adm. Scott Conn, Deputy Chief of Naval Operations for Warfighting Requirements and Capabilities, N9, Office of the Chief of Naval Operations

Moderator: Mr. Marcus Weisgerber, Global Business Editor, Defense One

Location: Woodrow Wilson Ballroom

This panel will delve into the future of intelligence, surveillance and reconnaissance (ISR) and the growing need among Department of Defense and national security domains for persistent ISR. What is true persistence? Is this an achievable goal, and how? What value will this bring to our airborne intelligence operations and warfighters on the ground? This panel will delve into the importance of this type of technology and how the U.S. plans to lead the next frontier of military intelligence.

Secretary of the Navy Luncheon

Time: 12:30 p.m.-2 p.m.

Speakers: The Honorable Thomas Harker, Secretary of the Navy
(acting)

Location: Potomac AB

Ticketed Event
